

Preschool

A Glowing week in Preschool!

We're so happy to be back in preschool and starting strong!

The yeladim returned with excitement and quickly jumped back into learning. We are exploring Sefirat HaOmer and counting the days together as we prepare for Shavuot.

With spring in the air, the classrooms are filled with fresh energy, smiles, and a love for learning.

We are also beginning to learn about Shavuot and its special meaning.

We had special visitors in our classrooms—caterpillars! Everyone is enjoying watching them grow and is excited to see them turn into beautiful butterflies.

We also celebrated Yom HaAtzmaut, learning about Eretz Yisrael in fun and meaningful ways.

We're looking forward to a wonderful season of growth, learning, and joyful moments together!

Exploring Letters

Our Pre-K classes have been busy learning their letters! They had so much fun exploring the letter U by going outside with umbrellas, and worked on strengthening their skills by tracing letters and using coins to fill each shape.

It's been wonderful to see their excitement and growth as they learn their ABCs!

Celebrating Yom HaAtzmaut

We celebrated Yom HaAtzmaut in a fun and meaningful way! The yeladim created their own passports and 'traveled' to Israel, even sitting together like passengers on a plane. They also enjoyed a special show and tell featuring items from Israel, helping bring their learning to life. It was a wonderful and engaging experience for all!
