## Exploring the Long Island Children's Museum 🏛️

The 2nd and 3rd grade boys enjoyed an exciting trip to the Long Island Children's Museum. They explored interactive exhibits, engaged in hands-on activities, and learned through play and discovery. It was a fun and enriching day of learning outside the classroom.

### A Special Visit from Hatzalah 🚑

The boys enjoyed a meaningful visit from members of Hatzalah as part of our ongoing safety unit. They gained insight into the important role Hatzalah plays in responding to emergencies and serving the community with dedication and care. We thank them for taking the time to visit and for all they do.

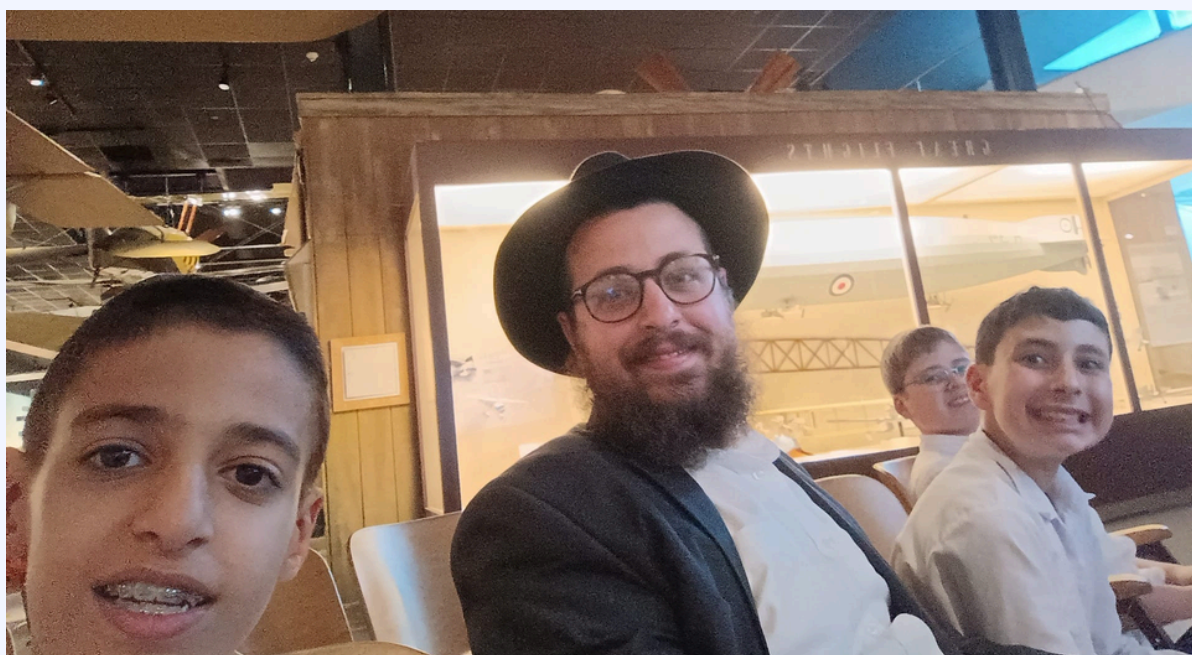

## Water Day Fun

As a reward for their beautiful davening throughout the year, Rabbi Yosef's class enjoyed a fun Water Slide Day! The boys had an amazing time cooling off, celebrating their hard work, and making special memories together. 😊☀️

## End-of-Year Field Trip

The boys in Rabbi Menachem's 7th and 8th grade class enjoyed an exciting end-of-year trip to the Cradle of Aviation. They explored the museum's exhibits, discovered the history of flight and space exploration, and had the opportunity to learn through a hands-on, interactive experience. The trip was a wonderful way for the boys to celebrate the end of the school year while creating lasting memories together!
